Warming Letter:

The Website for "Journal of Southwest Jiaotong University" Is Hijacked

After an investigation, the 5GH team finds the website for "Journal of Southwest Jiaotong University" is hijacked. This investigation was initiated due an anonymous source who informed the 5GH team this matter. The 5GH team finally identified 2 hajacked websites for "Journal of Southwest Jiaotong University". They are:

(1) <http://jsju.org/index.php/journal>

(2) <https://jsju.org.cn/index.php>

However, the official (original) website for "Journal of Southwest Jiaotong University" is:
<https://xnjdxs.swjtu.edu.cn/indexen.html>

The 5GH team also finds that, when searching "Journal of Southwest Jiaotong University" on Google and/or Bing, the hijacked websites were listed at the 1st position, which may mislead the users.

Therefore, the 5GH team is posting this warming letter to alert our global readers. And the team asks for actions from the search service providers, like Google and Bing, to modify the search results.

Original: <https://xnjdxj.swjtu.edu.cn/indexen.htm>

Hijacked: <http://jsju.org/index.php/journal>

Hijacked: <https://jsju.org.cn/index.php>
